Welcome to Isle of Wight Open Studios 2026

A vibrant celebration of creativity set in the Island's UNESCO Biosphere Reserve.

Over 200 artists and designer-makers invite you to visit their studios across the Island this May, making 2026 our largest event to date. Step inside, meet the makers, and discover the passion and skill behind the Isle of Wight's thriving arts scene. Whether you're a collector, first-time buyer, practising artist or simply curious, you'll find inspiration and a warm welcome.

The IWOS journey begins in April at Quay Arts with our IWOS Showcase Exhibition, open daily from 18th April–30th May. Later in the year, we look forward to collaborating with Department in Ryde to present a winter exhibition from 9th–14th November.

Studios will be open 15th–25th May, spanning the Spring Bank Holiday weekend and the start of the Summer Half Term. Admission to all venues is free, and artists are always happy to discuss their work. Studios are generally open 11am–4pm

on advertised dates, with a late opening evening in each area. For variations in opening times, directions and accessibility information, please check individual artist listings or visit our website.

Printed directories are available Island-wide, and our website features an interactive map of all studios, including a search function to help plan your visits by opening date.

Run by artists, for artists, IWOS promotes art in all its forms for Islanders and visitors alike. IWOS is a not-for-profit Community Interest Company led by local volunteers dedicated to celebrating and supporting the Island's creative community. This year we are once again collaborating with Brave Island to support five emerging young artists, whose work will be showcased at Medina Lodge in Cowes, New Carnival's Coaching House in Ryde, St Martin's Studio in Ventnor, and the Sales Office at Fairway Holiday Park in Sandown.

We are deeply grateful to our sponsors and supporters whose generosity helps make this event possible. If you are interested in supporting IWOS 2027 as an advertiser or sponsor, please get in touch.

Explore inspiring spaces, discover exceptional Island-made art, and take home something unique. Original works are available for purchase at a range of price points. While some artists accept card payments, we recommend bringing cash.

We look forward to welcoming you!
